Powerful energies of power, strength, protection, security and superiority, will be released and you will be put in a magical ecstasy of the black fire. A deep knowledge of the presence of this magic will fulfil you. Your soul will be surrounded with the black fire and your inner/mental strength lifted. This system generates fast, power, strength, protection, security and superiority. Everywhere you look it burns the black fire and all who want to harm you will be put in fear and fright

## **Blue Fire Body**

Blue Fire Body is an egoist system, because this system is only used for oneself, no less – no more. This system has only 2 techniques and 2 benefits, that is useful as self-protection from negative energy and clean negative energy in all part of our physical body and energy body.

You can combine Blue Fire Body with other system in your healing practice other persons, for example : you give canalization the healing energy for patient with using Reiki Usui system, then you can give Blue Fire Body attunement to patient as self-protection and speed up their healing process with practice the Blue Fire Body Meditation.

## **Brighid's Flame Reiki**

By Joanna Rowan Mullane. There are no prerequisites to receiving this attunement although some knowledge of Reiki or energy work is beneficial.

Brighid is the Celtic goddess of the hearth fire. She inspires us, she helps us with healing, with creativity, poetry, smithcraft and strength.

Brighid helps us to be present in the moment to stop and listen and enjoy all that is around us.

She has a healing cauldron and allows us to drink from the healing waters up her cauldron. By doing that you feel at home with all that surrounds you.

There are four symbols with this modality. You will also learn about the four stones of Brighid's flame Reiki, which are rhyolite, copper, citrine, and ocean jasper.

Brighid's Flame Reiki also invokes the energy of herbs to use their healing properties to help you heal.

## **Celestial Fire Vortex**

By Hari Winarso. Celestial Fire Vortex has a higher energy vibration that connected with the Crown Chakra. The energy of Celestial Fire Vortex is an effective energy for cellular regeneration and can cause a flush of pure healing energy. It acts as a trigger, causing old patterns of disease or imbalance to all away and new patterns to be created. It is an energetic tool to bringing the physical body into line with the Light energy. It can be used to enhancing and harmonizing any chakra or any other part of the body.

It helps us to have insight and allows one to predetermine the destination prior to or during astral travel. Celestial Fire Vortex stimulates the female energies and can be used to balance an excess of male tendencies.

Celestial Fire Vortex works to balance or stabilize the inner self, integrating the personality with the higher self. Also help to enhance psychic knowing, guidance and direction. Brings us information about the soul, soul structure and spiritual realities.

It can treat disorders of the lower back and offers healing energy to the male reproductive system. It also used to rid toxins in the system from addictions - alcohol, smoking etc. Celestial Fire Vortex is a very powerful healing tool that you will surely use in every healing session.

## **Chantico Goddess of Fire & Fertility**

Founder: Gabriela Yasmin Szafman. Chantico is the Goddess of earthly fire, which lies on the stove of the house, before there was performed several ceremonies a day.

Chantico was the first woman not to fast before making an offering to the Gods and was punished by Tonacatecuhtli, "Lord of the Food" that turned her into a dog.

Another important aspect of this Goddess is that she attaches, with the participation of other goddesses, to the invention of the jewelry. But she in particular was granted the invention of cosmetics.

She was especially venerated by the Association of Jewelers, as well as by the stone engravers, gem cutters and polishers.

The name that appeared on the "Aztec Calendar" was Chiconahui Itzcuintli.

It was on her day that witches turned into various animals and witches, called mometzcopinqui, exercised their greatest power.

Chantico will Empower you with:

- Femininity
- Beauty
- Radiance
- Grace
- Help Healer in Treatments giving more life energy
- Protection of yourself and family
- Enhances Divination
- Enhances Intuition
- Fertility
- Abundance of Precious Stones Jewelry

## **Energy of Elements – Fire**

Self-Healing for the power centers and meridians chakras, meridians of heart and intestines. Organs - heart - skin-intestines-vascular system emotions - joy, love and anticipation. Energy of heat is applied to harmonize entire system.

## **Fire Bird Vortex**

By Jalu. Fire Bird Vortexs is channeled from the Phoenix bird is an eternal bird in a way phoenix never really died but continued to be born again by transforming itself into the ashes of death and life once again regained it birth. This helps restores the purity of our energy by purifying karmic patterns, memory, and the issue in past lives.

We are helped more to go deeper into ourselves to be more introspective, and death to be more humble in order to always move forward. Phoenix is not really dead and always reborn with the increase and is always transformed into a new life. This is great to help us achieve the same increase in all aspects of life be it spiritual, health, finances, relationships, and many others.

Fire Bird Vortex consists of three levels:

- Fire Bird Purification Vortex.
- Fire Bird Shield Vortex.
- Fire Bird Peace Vortex.

## **Fire Body Stimulation Device**

Fire Body Stimulation Device is a system that has great energy and strong. Energy from Fire Body Stimulation Device is able to stimulate the kundalini energy and stimulate our entire chakra system. Besides, with the energy of the Fire Body Stimulation Device, laziness and tired that we went could be reduced and we can achieve everything we need right now.

Fire Body Stimulation Device produces energy vibrations that trigger the Root Chakra to be more open-minded, open yourself, and adds to our perspective on all that is happening around us. So that we can obtain a higher understanding. Physically, Fire Body Stimulation Device can improve blood circulation and increase the passion in love, sex, and the courage.

## **Fire Crystal Reiki**

Fire Crystal Reiki is a universal life force energy which has very powerful benefits which heal physical as well as mental disease but also cleans all negative energy and entities for one's protection. The energy is fiery hot and you may feel this warmth flowing through your energy field or body when you receive the energy. Not everyone does so if you do not this does not mean you did not receive it as we all receive energy differently.

## **Fire Flash Energetic**

Fire Flash Energetic is a gentle but powerful energy and great for harmonizing force between different energies but also improves communications between one another. Creates conduit for life force and light force around our bodies. Assists in opening blocked channels in our bodies and clearing and cleaning out compromised ones. Energy of connections, patterns and peace. Helps us to see patterns of information, make connections, network and collect patterns together. Grows and improves relationships, communications, understanding, stabilizing and improving organizations and groups, networking and more.

## **Fire Matrix Energetic**

Fire Matrix Energetic is a powerful energy which enhances integrity, will power, the correct use of power and the willingness to cope with matters of practical nature. This energy could be called practical wisdom. It will be of great assistance in making financial decisions for it works to improve timing in financial matters. It imparts energy to help see you through complex negotiations, helping to get things in proper perspective without

worry, drama or denial about the bottom line. It helps to strip away illusions harbored about financial dealings and creates order out of chaos. It is great at tax time or straightening estate matters, and the general integration of worldly type energy.

With its transformative energy, it can protect you from negativities, evil forces, bad luck and the like. It shows the correct use of power and brings out integrity. It assists in accomplishing goals, recognizing inner resources, and promoting clarity of intention. It grounds and facilitates manifestation of the will. It anchors change in the physical body. It is useful for recognizing both needs of the self and others. It differentiates between wishful thinking about what you want and what you need. Mentally it integrates the hemispheres of the brain and enhances practical perception. It is helpful for healing mental disease, personality disorders, heals issues of self-worth, self-criticism and blocked creativity. It helps you to recognize your talents and abilities and faults that need to be overcome. It supports an addictive personality in making changes, balances the yin-yang and energizes the emotional body. It alleviates depression and lifts moods.

### Fire Vortex Beauty Care

Fire Vortex Beauty Care has a strong vibration that enhances confidence, your strength of will and mental clarity. It helps you to become more and break through your own self-imposed limitations. This energetic care encourage good vibrations within your life as they have a positive and encouraging energy that imbues you with feelings of comfort and loving support. It is also a helpful energy to heighten your individual attraction or appeal and it may assist you to develop inspired ideas.

The energy of Fire Vortex Beauty Care is highly stimulating to the metabolism, so this may help you to lose weight. Its healing vibration within the Solar Plexus Chakra, helps to remove stagnant energy and to improve your digestion.

The energy aids the liver, gall bladder, pancreas and spleen and has a strong detoxifying action. The action of its vibration within the body helps to remove cellulite and as this is released, sometimes you may find that anger has been stored within the tissues and this may also be released into your energy field. The vibration of Fire Vortex Beauty Care helps to neutralize any anger as well as to infuse you with greater self-confidence and courage and overcome shyness. It also enhances your feelings of self-worth and it will help you to have a more positive and enthusiastic outlook on life. It may aid you to release feelings of inadequacy, or shame.

The effect of any exercise you do is strengthened by its vibration and it will benefit you by elevating the amount of energy available to you generally.

It is said to boost the immune system and may be able to treat chronic fatigue, lethargy and depression.

## **Fire Wheel**

By Hari Winarso. The Fire Wheel system can become a very important part of your daily shielding process. I have found this Fire Wheel energy to be extremely helpful in creating a divine light shield that protects your energy field bodies. The Fire Wheel is to prepare your body to receive and hold an increasing flow of higher energies. It will help to harmonize your personal and environmental energies and amplify the results of all spiritually focused activities. The Fire Wheel will assist in re-patterning and clearing karmic or other imprints that would otherwise block certain DNA template activations and it assists you in the attainment of consciousness expansion as you are prepared to receive and hold the increasing flow of higher frequencies.

## **Fireball Energy Radiance**

The increasing demands of daily life have not only make people more tired but also left less time for important tasks like sleeping, eating and resting. Fireball Energy Radiance was developed to meet this style of life to brings harmonious and balance state, physically, mentally and spiritually. It is a strong mass energy ball that brings a great refreshing energy and is designed to revive body and mind especially at times of stress after intense activity. It gives additional energy for everyday activities as an energy boosting.

Fireball Energy Radiance is raising personal energy vibrations and strengthening our aura. By in tune with this system, it will be easier for us to discern the truth. It enhances our psychic abilities, encourage telepathy and aid lucid dreaming and astral travel.

It helps us deflect negative entities from our life and bring deeper insight into current situations or problems. It resonates our third eye chakra to integrate higher energy vibrations from other realms. In a tune with this system allows its healing energy to work with our own body's energy system for maximum physical benefits.

Physically, it helps us heal quickly from illnesses and injuries. It can also reduce fevers and improve circulation and skin disorders. If we have dark circles under our eyes, this system is good to reduce the discoloration because of its effect on capillaries.

It has 3 Level of Attunements:

- Level I : Fireball Energy Healing
- Level II: Fireball Energy Enhancer
- Level III: Fireball Energy Resonance

We will work with the energy of Ksitigarbha Fireball as protection energy against negativity that caused many problems, such as fights, verbal arguments, negative assertions, misunderstandings and lawsuits.

## **Golden Flame**

Golden Flame has a powerful healing action on emotional scars within the Heart Chakra and also exposes emotional issues, thereby enabling one to work on this area.

At a mental level the Golden Flame increases clarity by increasing the intensity, strength and quality of neuro-transmission and reception. Improves electro-magnetic flow through the meridians enhancing the energy potential of all the major organs on an etheric and physical level. Helps link mental and spiritual faculties. Strengthens the central nervous system. Also cleanses and empowers the etheric energies which permeate the spinal cord. It brings strength to the physical heart and purifies the blood by releasing toxins. Stimulates red blood cell production.

Golden Flame are transmitted within the aura and in close proximity to the physical body in a thunderously powerful cloak of psychic protection. Golden Flame is a great power of psychic protection.

## **Green Fire Supreme Power**

Much of the time the ego controls our will, and this energy dominates much of our life. And we may feel restricted and are unable to follow our true path. The solar plexus holds the energy of the will. Thus, the major change that we want present into our life was tucked.

Green Fire Supreme Power helps us to override the energy of the ego and will free our will, and allow us to unite the energy of the heart with the will; to follow our true calling. The courage to allow our heart to rule our life is enabled by the high vibration of this energetic system.

The Green Fire Supreme Power vibrates within both of the heart chakras and within the solar plexus chakra. Its specific energy is powerful to unite these chakras and aids us to follow our hearts desire.

Green Fire Supreme Power is a pure and natural energy that assist us to live our life in line with what our truly desire. It aids us to let go of fear, and helps us to find out where we really want to be as we envisage how we really desire our life to be.

Green Fire Supreme Power works generally at our entire chakras to help us:

- Aid for spiritual growth.
- Encourage us to release blocks that have stopped us from following our hearts desire.
- Helps us to better organize our mind and align our thoughts with our physical reality.
- Engage our higher self in the process.
- Assist us to take notice of our feelings.
- Have a potential to increase the development of clairsentience.
- Inspires inventiveness and flair.
- Stimulates and enhances creativity.
- Help us with developing intuition.
- Help to create a sense of inner security.
- Supports us to collapse negative thought patterns that have been holding us back.
- Facilitate the breakdown of fear and the release anger and negativity as it engenders feelings of wholeness and integrity.
- Help us to be more confident and assured, to speak in a straightforward manner when encountering negative people.
- Help us to eliminate depression.

## **Higher Soul Fire**

Higher Soul Fire carries the vibration of universal love. It may assist you to let go of issues you have been holding onto and forgive both yourself and the other person.

Higher Soul Fire brings peace of mind and freedom from fear. Neutralises anti-social and confrontational attitudes. Enhances co-operation. Dispels

negative attachments and entities. Repairs holes in etheric body. Balances astral body. Improves chakra and meridian functions. Links conscious mind to higher self. Assists higher self in working through physical form. Frees one from limiting behavioural programming of one's upbringing, and releases past life family patterns.

These energies radiate a very high vibration. It may open the Third Eye Chakra, the Crown Chakra and the Soul Star Chakra and may align and purify the entire chakra system. Higher Soul Fire are powerful energy to heighten metaphysical abilities.

### **Icy Flame Energy**

Icy Flame Energy by Ferry Handoko promotes high ideals, hope and great insight. It also enhances your inner power, gentleness and purity. Its a protection for your heart and gives peace of mind and soul when in a difficult situation. Activate it to your work place or when going to an important meeting to emit professionalism. It draws beautiful relationships - romance or big business project in your work. It removes bad feelings, regret, fear, but raises self-confidence and pride. It helps you keep your composure in a variety of social circumstances helping you to blend into any situation with ease, grace and wisdom.

### **Magma Power Shield**

#### **Pre-Requisite – Magma Cleaning Energy**

Magma in geology, magma refers to molten rock deep within Earth that consists of liquids, gases, and particles of rocks and crystals. Magma has been observed in the form of hot lava and the various rocks made from the solidification of magma. Geologists have created magmas (artificial melts) in the laboratory to learn more about the physical conditions in which magma originated and its composition. Magma is the source of igneous rocks; it can intrude or force itself into surrounding rock where it cools and eventually hardens. These rocks are called intrusive igneous rocks. If magma rises all the way to Earth's surface it will extrude (push out), flowing or erupting out at the surface as lava, forming extrusive igneous rock (also called volcanic rock).

Magma Power Shield will help you with Powerful protection to you against negative energies, negative people... Powerful protection to spaces (house, business, objects)... Protection against psychic attack Protection from evil-eye, envy, black magic... Protection from aggressors Development of will power...

## **Magma Cleaning Energy**

Magma in Greek means "paste") is a mixture of molten or semi molten rock, volatiles and solids that is found beneath the surface of the Earth, and is expected to exist on other terrestrial planets. Besides molten rock, magma may also contain suspended crystals and dissolved gas and sometimes also gas bubbles. Magma often collects in magma chambers that may feed a volcano or turn into a pluton. Magma is capable of intrusion into adjacent rocks, extrusion onto the surface as lava, and explosive ejection as tephra to form pyroclastic rock.

Magma Cleaning Energy will help with:

- Cleaning all kinds of negative energy
- Clean chakras and all subtle bodies
- Clean negative energy from spaces
- Negative blocks
- Witchcraft
- Black magic
- Envy
- Jinxes

## **Peace Flame**

By Hari Winarso. Chakras/Stress Relief & More Peace Flame is a calm and powerful energy channelled to calm the mind and alleviate continual worry, anxiety, hypertension and obsessional thought patterns. Peace Flame works through Solar Plexus chakra, Heart chakra and Sacral Chakra.

The energy of this tool is powerful to help us in situations of grief and sorrow. Assists in moving through the emotions with grace and balance. This energy also strengthens and shields aura from unwanted energies. Dispels attached entities, thought forms.

Peace Flame promotes inner security, especially where one's upbringing has been lacking in parental love or financial security. This spray promotes self-esteem, a positive attitude, courage in the face of adversity, and the removal of any ancestral or personal emotional patterns that have led to a feeling of unworthiness or lack of self-belief.

## **Prime Flame of Heart**

It brings the vibration of Divine Truth and promotes joy and happiness while healing the heart of energies of depression and anxiety. It has metaphysical properties for healing as well as to attract new love and abundance and prosperity.

This is a lovely energetic system that helps to bring acceptance and healing into the cells of the body and prepare them for deep healing. Through the Heart chakra, Prime Flame of Heart has a wonderful energy of love that stimulates strongly to the solar plexus chakra which it brings us the energy of abundance and prosperity. And these two energies combine to bring an abundance of love and prosperity into our life.

The vibration of the solar plexus chakra will resonate along with that of the heart chakra. This will emphasize the energy of manifestation and abundance and prosperity will be accentuated, and it may help us to manifest money.

This is an excellent energetic system for anyone who needs a lift, as it promotes joy, self-acceptance and independence as well as forgiveness and compassion towards others.

It also raises the inner strengths and push down the weaknesses. Sacred FlameLine Essential very good for repairing your emotionality to draw personal prosperity.

## **Sakkara Fire Reiki**

By Eileen Brooks and Uwe Burgunder. The Sakkara Reiki Energies helps to clear and balance the human Energetic spaces.

The Human Energy Field or Aura is an energetic, multidimensional field that surrounds penetrates, and is the human body. It has rivers of energy called meridians that nourish every organ and cell in our bodies. These rivers are supplied by cone shaped vortexes of energy called chakra's These chakra's, in turn, collect energy from the Universal Energy Field that is all around us.

When blocks accumulate in the field, a disruption in the flow of energy through the Chakra's result. It is these blocks that disrupt the Harmony in the field and eventually are the cause of disease, as well as, emotional and mental disorders in the physical body. During a healing session, the field is cleared of blocks, the chakras are restructured and a new level of awareness is reached. Recalibrating people's energy fields helps the energetic doorways, openings, portals and gateways on the planetary, solar, galactic and universal levels across time, space, dimensions, angles, directions and vectors etc., that had opened due to a wounding from this life and past-lives to close down.

Clearing the Energetic Spaces go after these core patterns and recalibrate at the planetary, solar, galactic, universal and multiverse levels.

### **Solar Fire Crystals**

By Jalu. Solar Fire Crystals is a purification system with high power of the Great of Solar and then lock it to protect the purity from psychic disorders as well as negative energy attachments that intentionally or unintentionally sent. Solar Fire Crystals provide a solid foundation to help us stay grounded in the place we are going. For other person that has bad intention it is the burning and impediment, but for users this is a relaxing and calming fire, providing security support to us for more relaxed and confident that something unexpected will not happen.

Solar Fire Crystals are a sharp heat, providing strong protection for us and place of residence or regional power. This builds a strong defensive wall that supported a strong foundation in the mother earth. Solar Fire Crystals is a softness and strength to become one. It sends back the negative energy or psychic attacks that come to the sender who have bad intends or send to the mother earth and transformed into a stronger foundation.

### **Spirit Fire Reiki**

Spiritfire Reiki is an extremely powerful energy that works to clear negative energies, especially in the form of psychic attack, psychic penetration, and psychic vampirism. You can also use it for quick, powerful clearing of a client's energy. There are many uses for this energy, which is as versatile as it is effective.

From Rosemary Noel, Founder: "Originally, I named the energy Two Power because it primarily uses the energy projected out of the third eye and the hands. Stephanie worked with this, so this energy can also be combined with heart energy to soften and mute the energy for personal healing, thus

enabling the power of two to become the power of three. Rosemary explains: With the two powers this energy is used more as a point and burn negativity remover...it is a defence to not only negative energy but to psychic attacks. Almost a return to sender energy as 90% of the time we intuitively know who/what is directing this. The what being places where there was intense negativity or psychic drama, i.e. negative energies from a home or area where any drama took place."

## **Spiritual Fire Energy Healing**

By Jalu. Spiritual Fire Energy Healing is the systems that carry strong vibrations of spiritual foundation and echoed in the three lower chakras. This vibration creates a strong connection to the earth that create a better flow of energy. Spiritual Fire Energy Healing is helpful for emotional balance and spiritual foundation that gives us a strong sense of stability that help us to calm the emotions. And in the process, this system also gives a sense of security that we feel emotionally stable.

Spiritual Fire Energy Healing has many powerful healing attributes that are able to work with healing slowly and gradually in the liver, detoxification, blockage of the bile duct and any dysfunction in the body of procreation in a way to collect the scattered energy to become centered and balanced.

## **Triangle Flame**

Triangle Flame Reiki is a higher vibration flame to aid in accessing intellectual information, activate intuition and vitality. This energy adds zest to life and recharges the base and sacral chakras. Triangle Flame draws the creative life force from the Earth and up into the Earth Chakra, activating the creativity of the base and sacral right up to the crown and soul star chakra.

Properties:

- Maintaining energy levels and enhance accomplishment of goals
- Balances Chakra Energy Centers, meridians and physical body
- Alignment of physical, etheric, subtle bodies and maintains optimum health
- Stimulates the pineal gland, enhances intuition, psychic ability
- Awareness of other levels of intelligence outside our earthly realm
- Facilitates non-judgemental self-approval

- Permanence in relationships

## **Turquoise Flame**

The Turquoise Flame Attunement is a channelled System given to us by the angel-essence Amai. That means that the Turquoise Flame is not directed by one of the raised masters but is an angelic energy which is made available to us additional to the twelve divine rays to carry us directly into the new energy. This ray is especially closely connected to Lady Nada, Serapis Bey and Hilarion. Turquoise stands for Atlantis and for the dolphins with their skill to communicate from one heart to another and their ability to confide in the depth of the ocean and to ride the waves exactly so, as they come and go.
