

Manifestation Guidance Program Descriptions

Manifesting Guidance Program level 1 - Personal Power Manifestation

This energy attunement connects you quickly to the higher source energy and it will begin working to dissolve the negative energies of doubt and fear That causes this feeling of lack of power.

When you begin to feel the loss of your personal power, you might not even be aware of it at first. It may sort of slip or creep in and get a very strong hold on you before you realize it. Other times, you may be aware of it immediately. Anytime you feel a loss of personal power, it is always That related to a situation you find yourself in. You may have an illness or That accident causes injuries and makes you feel powerless. You may have married someone-whom you love very much, and then discovered That he or she spends all of your money, abuses you, and treats you badly. or you may lose your job and feel a lack of personal power about changing the Circumstances.

No matter what has led you to this point of lack and loss of personal power, You Should Be Aware That you can overcome it and laughed like the phoenix from the ashes of despair and disempowerment.

You have the power to change your Circumstances.

Manifesting Guidance Program level 2 - Self Love and Respect Manifestation

The attunement to self-love and respect manifestation works to connect you to source energy and opens the path to your higher self. In our society, it is Often That we are taught to always put others ahead of ourselves, that we are to allow others to have first choice, that we are to step aside and always give so much of ourselves To Those we love that there is nothing left to give to ourselves. This is a false belief. While we are to share, to give to others, and to be polite, it is to be given with love, joy, and gratitude. If we feel oppressed, if we are asked by Those we care about to give up ourselves, to do what makes others happy and never get an exchange of this energy, it can cause hardship, lack of self-esteem, and loss of energy. Giving of ourselves is wonderful, but we must keep in mind that we too must receive love, respect, and positive energies of nature in order to function and grow. When we are deprived of this, we wither, sicken, and die. As you can see, love for yourself is Necessary to grow, to be happy, and healthy. If you allow others to treat you badly, you are not loving and

Respecting yourself. You would not allow anyone else to treat someone you love in a bad way, so why would you allow anyone to treat you with lack of respect or love?

Manifesting Guidance Program level 3 - Love and Friendship Manifestation

Love and Friendship manifestation helps to connect you to those who are in tune with your soul energies. It helps you connect also to your higher self and creative source in order to guide you in meeting people and making friends with those of like energies. This system also helps you strengthen already existing friendships, family relationships, and love relationships with your special romantic lover. The essence of this energy enhances feelings of well-being and healthy relationships.

Manifesting Guidance Program level 4 - Abundance Manifestation

The Attunement to Abundance Manifestation connects you to Creative Source, for empowerment. This energy helps you to change your thoughts to positive thoughts of plenty. Often, when we are worried, our thoughts slip into fear and doubts which actually block our flow of abundance. Connecting to Abundance Manifestation energy will help you to release worries and stay focused on your goals.

Manifesting Guidance Program level 5 - Prosperity Manifestation

Prosperity Manifestation connects you to your inner Being, your higher self, and your creative source. The energies of this system help to guide you in steps to advance in your work or career. It helps you to see opportunities and to accept inner guidance so you are able to make decisions about creating more income for the highest good. The manifestation of prosperity brings with it increases and learning to follow source guidance in steps to make in order to achieve your goals.

Manifesting Guidance Program level 6 - Letting Go Manifestation

Letting Go Manifestation connects you to your inner self and to your higher self to help you learn to see the true essences of people, places, and things that no longer serve you in your life. Once you can see what you need to let go, you then must allow the process of letting go so that you are no longer wasting your energies on things that no longer serve you. This system has steady flowing energies that help you to change your focus to bring empowerment and higher energies into your life. It is the first step in releasing the past, releasing emotional pain, and negativity. This release, is beneficial and makes this process of releasing and letting go completely easier and quicker. Once these things that no longer serve you are let go, you can begin to heal, and draw in new and better people, places, and things.

Manifesting Guidance Program level 7 - Moving Forward on Your Path Manifestation

Moving Forward on Your Path Manifestation connects you to pure source energy that will help you focus on your goals and move forward easier. It works to help you release resistance that may be holding you back so that you can go forward you can stay on track. The energies of this attunement will help clear the path and guide you on your journey toward achieving completion of your goals.

Manifesting Guidance Program level 8 - Enhancing Your Intuition and Psychic Abilities Manifestation

Enhancing Intuition and Psychic Abilities Manifestation connects you to your higher self and source energy. It works to open your third eye, and to help you channel messages through both your third eye and your crown chakra. Often messages from spirit come through your crown chakra and move down through your major chakras to give you a sense of knowing without knowing how you know. This system opens both channels (third eye and crown) to help you receive meaningful guidance and important messages for your highest good.

Manifesting Guidance Program level 9 - Courage and Strength Manifestation

Courage and Strength Manifestation connects you to source energies so that you can quickly draw bursts of positive energies you may need to face any situation. Often there are times when you need a quick burst to push you through an emotional situation that requires immediate attention. But it also works to help you draw the courage you need to face any challenge in life and the strength to see it through. This is a powerful system that gives you that extra energy and self-empowerment you need to get through any situation.

Manifesting Guidance Program level 10 - Divine Guidance in Decisions Manifestation

Divine Guidance in Decisions Manifestation works to connect you to creative source energy for guidance and clarity in making decisions. It helps to bring guidance in clear action steps and choosing the highest good path in decisions. It is a gentle energy that helps to guide you with clarity and opportunity for change choices.

Manifesting Guidance Program level 11 - Rising to The Challenge Manifestation

Rising to the Challenge Manifestation connects you to the Universal source energies to empower you so that you can face any challenge and rise above it. These challenges may be emotional, physical, or spiritual in nature, and the energies will give you an extra boost of empowerment to meet it and rise above it.

You may be facing obstacles of oppression, or you may be facing challenges of reaching goals-either way the energies of this system will help you through it with extra boosts of determination, willpower, and energies to rise above it all.

Manifesting Guidance Program level 12 - Healing Happiness Manifestation

Healing Happiness Manifestation connects you to your higher self for guidance in achieving happiness. The energies of this attunement fill you with love and light of a complete universal energy. It works to help you heal happiness through giving yourself permission to be truly happy.
