

# ***GAIA – EARTH ENERGIES PACKAGE***

## ***DESCRIPTIONS***

### **Bliss Light Body Activation**

Most people find that they feel a strong energy of love and joy, that merges into a profound spiritual depth of feeling that almost takes your breath away with its strength and breadth. Many people find it is quite unlike anything they have felt before as it is changing your energy patterns and helping you to anchor and ground your lightbody to Mother Gaia.

These energies have an extremely high vibration. If you have been working with this energy and are sensitive to energy, when you hold these lovely energies you will more than likely feel their quite potent vibration in a number of areas of the body.

Bliss Light Body Activation have an amazing resonance in the heart chakra and higher heart or thymus chakra. Bliss Light Body Activation have a lovely heart-based energy, but they bring you so much more than the average heart chakra energy. Its quickly take you into a very deep inner awareness, and once there you will not want to come back until you have fully experienced all that will the Bliss Light Body Activation gave. Clearing any discordant or stagnant energy in your auric field, this energy opens the way for ascension, spiritual awakening and growth.

When you hold them in the heart, you truly receive a blissful charge from them. The vibration of these energy feels like a rush of pure pleasure, inner delight and love, that wells up within you and energizes your heart and bring feelings of joy and happiness, and a sense of what can almost be described as inner rapture... truly beautiful!

It will also stimulate the higher chakras and are powerful to use in meditation. They are safe energies to stimulate kundalini awakening, and to aid you to awaken your inner serpent.

This energy has function of clearing discordant and stagnant energy in auric field, Helps spiritual awakening and growth, Stimulate kundalini awakening, To aid achieve blissful heart, Bring feelings of joy and happiness, Stimulate the higher chakras.

### **Earth Connection of Human Energetic System**

By Hari Winarso. Earth Connection of Human Energetic System is a wonderful energetic tool that brings the human energy system into a state of balance with the whole of the Earth energy system. In particular, it balances one's energy with that of the Earth's solar orbit, so that one remains in 'orbital' balance wherever you may be on the planet. Eliminates disorientation, improves the sense of direction and is ideal for travellers.

Earth Connection of Human Energetic System transmits and connects one with a high frequency colour of very deep blue, which is a spiritual channel. It opens the Solar Plexus Chakra to receive knowledge of and from extra-terrestrial civilisations.

It allows you to bring down cosmic energies into Earth for healing. Such as starlight energy, background cosmic energy, the energy of other galaxies and star systems, etc. If you can think of it and locate it out there in space, then you can bring it down with this.

These extra-terrestrial energies can be used for a multitude of spiritual and healing purposes on Earth.

### **Earth Dragon Egg Elixir**

By Hari Winarso. Earth Dragon Egg Elixir has a gentle energy that resonates with the Earth. It grounds, protects, and gives strength in time of need. It vitalizes purpose, eliminates energy blockages and stimulates growth on all levels. It is a stabilizing energy that strengthens the aura and restores the correct spin to the sacral and solar plexus chakras. It relieves pain and improves circulation. It is protective, repels negativity, disperses unloving thoughts and facilitates the release of old loves providing support during the change. It grounds spiritual energy into the body held briefly above the third eye, breaks through mental barriers and dissolves mental conditioning.

### **Earth Energy Boost**

The Earth Energy Boost is a simple energy that works as an immediate and gentle "pick-me-up." If you are familiar with the "Rescue Remedy" flower essence, then you'll

understand that the Earth Energy Boost can work in a similar fashion. It's something to use for fatigue, illness, or times of extreme stress. It can also be used during strenuous activity, to provide an extra "boost." It is not meant as an instant cure, but an additional energetic support.

### **Earth Fortress Essence**

Earth Fortress Essence by Hari Winarso is a powerful essence that protects you from any harm and all forms of attacks, negative entities, and is helpful to banish negative spirits that disturb your home, office, factory, plantation and the like.

### **Earth Sphere Energetic**

Earth Sphere Device helps the over analyzer to ground and center all bodies (physical, emotional, intellectual, etc) to maintain balance and connection (working with) with the etheric energies. Earth Sphere Device is an energetic device of service. It can be used by those in the Veterinary energy to calm and soothe animals that are hurt and scared. It is a stone of service for all.

Earth Sphere Device helps to harmonize the emotions and assists in maintaining composure, even under the most difficult circumstances.

Earth Sphere Device useful to cleanses the aura and any other dysfunctional energies, dispels/transmutes negative energy, and protects us from harm. Activate this device when you are feeling down and out.

### **Earthly Vibration Amplifier**

By Maha Kamaleksana. Earthly Vibration Amplifier helps us to connect to a deeper connection with nature and with plants, trees and animals and with Mother Gaia herself. It has a vibration of happiness and joy for life and contributes to more cheerful, pleasant people entering our life.

It carries a strong vibration for change as soft gradual energy to flow outwards, throughout our life. So, If you are person who is passionate about the earth and who feels that it is time to step forward to help heal the earth, then the energy of this energetic system will be of benefit to you!

This very nature energetic tool assists us to feel more balanced emotionally. It may strengthen relationships as it brings a stream of happiness, joy and contentment to our life which will flow through to those with whom we are in contact with.

It also encourages more enthusiasm for the healing of our environment as well as bringing us personal healing. The lovely energy of this energy system flows out and aids us to personally heal any emotional problems we may have. Even if we feel that all is well in your life, the addition of extra joy and happiness will benefit us!

The vibration of this energy system challenges us to feel more respect for all life, including plants, animals and all environments. Thus, it is very excellent energetic tool to heal our pets, garden, even the earth, our Mother of Life!

## **Earth Star Super Radiance**

EarthStar Super Radiance is a strong modality and energy to heal the earth, and to heal us, both emotionally and spiritually. It resonates strongly through the Base chakra and the Earth chakra to release excess energy and spiritual grounding into Mother Gaia.

The radiance of these energy aids us to feel a stronger sense of support and connection to the earth. The energy of EarthStar will balance and support our lower chakras and provide us with a feeling of stability within our life.

This energy has an excellent radiance for allowing us to feel more grounded, fully present and centered. It may aid us to be more patient and to be more content about our life circumstances. It may relieve anger and resentment and help us if we have anxiety, stress or other negative emotional feelings.

EarthStar Super Radiance give us useful ways to relieve stress and when we are generally having difficulty coping emotionally with the circumstances of our life, these energies may be particularly helpful.

EarthStar Super Radiance help to clear the auric field of disharmony, then balance our chakras. It may bring our vibration to a higher point, in preparation for making contact with spirit. Once it has succeeded in raising our vibration this energy then flows through to energize the physical body.

These energetic tools have a strong healing vibration and will work within all chakras. It will clear and balance the chakras as the energy flows out into our auric field.

EarthStar Super Radiance creates an impressive result, because it distributes energy and light outwards to create an amazing energetic charge. This strong field of light will then flow out into our aura. The result is a deep sense of peace and harmony. Any energy blockages that may originate from past life issues that have not been resolved, may then be able to be healed.

The treatment / healing of it will help you to release disharmony and stress and aid the healing of physical problems, including aches and pains. EarthStar Super Radiance also helps to aid the immune system and to help with calcium absorption. It brings an influx of energy into the body creating increased sparkle, liveliness, endurance and zest for life.

## **Elemental Earth Star Empowerment**

The Elemental Earth Star Empowerment is the final attunement in the Atlantian & Gaia Trilogy (The Atlantian Crystal Activation, The Crystal Skull Activation and finally The Elemental Earth Star Empowerment).

During your Atlantian Crystal and Crystal Skull attunements your 7th and 8th chakras were activated and cleared to allow these energies to flow smoothly through you. Now it is time to reconnect yourself back to mother earth through the empowerment and activation of your Earth Star Chakra which is situated just below the soles of your

feet. Through this attunement you will be re grounded and cleared of any residual energies that no longer serve your highest good. When this grounding fully takes place you will also gain the ability to send healing back to Mother Earth through the earth star chakra which will aid in her own spiritual progression and ascension. You will also feel a stronger and closer connection to mother earth

## **Elemental Reiki**

Elemental Reiki is a unique style of Reiki that combines symbols derived from the Goddess, Elemental and Pagan symbology. You can use Elemental Reiki for both healing purposes and connection with the four elements.

If you are a Usui Reiki Master you will only need one attunement. If you are not a Usui Reiki Master you will need two attunements.

## **Energy of Elements – Fire**

Self-Healing for the power centers and meridians chakras, meridians of heart and intestines. Organs - heart - skin-intestines-vascular system, emotions - joy, love and anticipation. Energy of heat is applied to harmonize entire system.

## **Essential Earth Love**

By Hari Winarso. The Essential Earth Love represents the element of the Earth. When you attune and align with the energy of Mother Earth she will provide you with all you need. Earth is also associated with stability, nurturing, prosperity and support.

The Essential Earth Love help calm the emotions and bring the body back into a state of peace. It helps one to clearly communicate from a calm, cool state of expression. Essential Earth Love connect with the energy of the Earth's vibration and consciousness. It helps one to understand that living in balance and having respect for the Earth is vital for us at this time.

The Essential Earth Love's energy promotes confidence, abundance, and an increased sense of possibility. An energy with powerful regenerative energy, The Essential Earth Love is particularly recommended for people experiencing a sense of burn-out in financial matters. So, if you're in a period where you feel like you're working hard but getting nowhere fast, or if the ladder of success is feeling more like a treadmill, it is for you.

Often those who are experiencing financial troubles feel themselves at the mercy of a system beyond their control. In such instances, Essential Earth Love will work to restore confidence and a sense of direction. Imparting what might best be called a sense of willful optimism, Essential Earth Love will also help to mitigate depression and eradicate irrational attitudes toward financial dealings. With its fast-acting energy, it will put you back in touch with a sense of what you need to survive in the world and will further improve communication from the soul to the ego.

## **Essential Green Earth Energy**

Essential Green Earth Energy can be a good energy filter, It help to blocking geopathic stress as well as electromagnetic pollution emitted from computers, microwaves, or cell phones. Essential Green Earth Energy soothes aggravation and emotional trauma, eases irritation, and calms all of the chakras.

Essential Green Earth Energy is helpful in clearing energy blockages and balancing the Yin and Yang energies. Meditating with Essential Green Earth Energy can bring the subtle bodies into alignment and helps to open one's subconscious to subtle messages from the higher realms.

Essential Green Earth Energy balances masculine and feminine energy as well as different personality traits. Use this excellent energy on the Heart and Throat Chakras to enhance loving expression, or with the Third Eye Chakra to open intuition.

## **Gaia Goddess Seasons Abundance Fertility Love**

Mother Goddess of the Seasons, Abundance, Fertility, Love, Healing, Empowerment, Enrichment.

Gaea "the Deep-Breasted One", is the ancient Greek Goddess of the Earth, considered by Hesiod "the oldest of divinities". She was said to be the child of Ether (Air) and Hemera (Day), though some said She was born directly from Chaos with Eros (Love) and Nyx (Night).

She is credited with creating the Universe, and is known as the mother of many. Gaea is considered the Mother of All, who nourishes and cares for Her children, and brings rich blessings.

Gaea as the ever-present Earth was invoked in oaths as a witness, and as one who being All, knew all, was considered a goddess of prophecy: the Olympian oracle was Hers, and the famous oracle at Delphi was originally Hers, before Apollo either stole it, or before it was passed down through Her daughter, Phoebe, to Him.

Gaea, in a reading, indicates a time of fruitfulness and bright blessings, of nourishment and fulfilment. Alternate spellings: Gaia, Ge. In Greek mythology, she created the Universe and gave birth to both the first race of gods (the Titans) and the first humans.

She was known as the supreme goddess by humans and gods alike. She presided over marriages and oaths and was honoured as a prophetess. Goddess Gaea Will Help You With:

- Enhancing Your Mystical Powers in Energy Works
- Bringing Life Essence to Your Life and of Others
- Giving Great Power in Healing
- Enhancing Your Telekinetic Power
- Enhance Your Energy Treatments
- Enhance Your Femininity

- Fertility Problems
- Solving Relations and Love Problems
- Bringing Love in Your Life
- Enhancing Clairvoyance for Tarot Reading and in Dreams
- Power
- Nurturing
- Be More in Contact with Nature
- Abundance and Prosperity for Yourself, Business and Others
- Protection for Yourself, Children, House and Business

## **Healing Elements Lightwork**

Each of the four Elements of Nature have tremendous healing power that is available for you to use to help heal yourself and others. This attunement connects you to the Elements Earth, Air, Fire, and Water to help you bring universal healing into your life. Using these energies can improve any other healing techniques you may already be using, and provides powerful healing with the Elements of Nature.

You will learn about each of the elements and a healing technique for connecting to and healing with each element. There are four attunements to this system:

- Earth
- Air
- Fire
- Water

Each has its own energy and power and can be used alone or together with any or all of the other Elements in healing.

## **Healing Plants and Mother Earth Reiki**

Healing Plants and Mother Earth Reiki, connects you to the Earth Goddess and Divinity energy that bring healing to all plants and to Mother Earth. Tapping into this energy helps you to heal any plant, including houseplants, vegetation of all kinds, and even crops in the field. This wonderful healing energy is very powerful to protect your plants and to help them grow and be healthy plants. It also helps to protect and heal our Mother Earth.

## **Kukai Mikio Wu Wei Ling**

Founder: Ramon Martinez Lopez

KŪKAI - 空海 -also known as Kōbōdaishi - 弘法大師 - was a tantric master who established the Vajrayana teachings in Japan in the early 9th century.

Kūkai's name combines two elements. Firstly Kū (空☺ which in Sanskrit is ākāśa and means space, or emptiness (in the sense of śūnyata). Kūkai had a strong association with the Bodhisattva Ākāśagarbha, known in Japanese as Kokūzo.

Secondly Kai (海;) means sea and perhaps relates to the story recounted by Oliver Statler in Japanese Pilgrimage that Kūkaigained Enlightenment on the coast at Cape Muroto, on Shikoku Island. So 'Kūkai' might be translated as Sea & Sky. Sea of consciousness and sky of infinity space.

MIKIO means tree, in this case tree of unity, beyond duality. MIKIO REFERS TOTANTRIC PRACTICE of the union of heavens and earth deeply rooted in your body, heart and mind.

LINGQI-靈氣- means the spiritual energy of the mountains. It is Consistent, solid energy and everlasting and indestructible.

Wu Wei- is a Daoist (Taoist) belief, which speaks to the idea of letting nature take its course.

IT OPENS AND CONNECT THE NEW light frequencies of heavens and lines of the now changing mother earth. Similar to cosmic meridians and earth meridians but in an no duality form. It busts your healing capabilities.

### **Magical Nature Reiki**

Magical Nature Reiki teaches that Mother Earth is the soul of the planet. She has a Consciousness, Chakra System and an Aura of her own. All persons of our planet should try to achieve together as a healing and raising our vibrations to reach ascension.

Mother Earth and her nature kingdoms hold magic and wisdom, awe and wonder. As we are able to tune into her energies this brings us a powerful healing, love, peace, and spiritual enlightenment. There are many nature beings that work within Mother Earth's Realms such as fairies, elves, tree spirits, gnomes and sylphs.

All of them hold much light and love and are always ready and willing to be of assistance to humans in helping with healing and spiritual growth. Magical Nature Reiki has been developed to help us gain a deep connection to Mother Earth, her Nature Kingdoms and Nature Beings. This form of Reiki will help in a variety of ways. Some examples are as follows.

- Ascension and Spiritual Growth
- Healing and Clearing
- Raising our Vibration
- Connecting to Mother Earth, Nature Spirit Guides
- Clairvoyance to see the Nature Beings
- Clear Away negative thoughts and programming
- Connect to Past Lives that hold sacred knowledge of Nature
- Raise consciousness to help ground Spiritual Energies

### **Nature Essence Purification**

Essence Purification designed to aids purification at all levels. It helps us to able to

absorb, filter, and transform dark forces and blocked energies in others into positive and useful one. This purifier energetic system also useful to present a realization that life is abundant and full of blessing.

Nature Essence Purification instils a balanced relationship of the soul to the body and to life on Earth. It stimulates a great acceptance within our life that life with its imperfects, impurities, imbalances, etc, is The Perfectness, Purities, Balance itself. Thus, we will become more calm, grateful, and lovely people for ourselves, the others and universe.

Physically, Nature Essence Purification helps us to treat skin disorders, to treat wounds, aid in recovery from an incipient cold, or to counter-act the side effects of pharmaceuticals and also very useful for the healers to lessen the effect of continuously subjected to the energies of the patients on their own energies.

### **Nature Love Empowerment**

Nature Love Empowerment is a system capable of carrying wonderful love. Nature Love Empowerment produce energy that cause the vibrations spread toward our innermost conscience which can brings positive thoughts. It is the vibrations that trigger us to always do good deeds without any other intention that deviate from goodness.

Nature Love Empowerment stimulates the heart chakra to be more sensitive and intuitive to feel the others at our circumstance and ourselves. It stabilizes our emotional state by balancing our energetic body.

Nature Love Empowerment connects us with the natural energy that can lead us into our deepest self. It gives motivation and encourages us to always keep ourselves from negative actions. So that we can feel inner peace and free from the sadness, suffering and anxiety that interfere.

This energetic system promotes our physical, mental and spiritual well-being. We will learn the way we were created. To back to our origin

### **Natural Red Vibration**

Natural Red Vibration encourages us to feel self-love and as we begin to feel more love for the body in which our spirit resides, this love flows out into our life, and we may see an improvement begin to happen. Natural Red Vibration allows us to be comfortable with taking risks and to embrace all of life's experiences. Through the power of coincidence and synchronicity this lovely energetic tool puts us in interesting and adventurous situations where we are challenged to live life to the full.

This tool has a strong energy of sensuality and love for life, and of beauty. It will assist us to feel more sexually attractive, as it works within the sacral chakra, to aid our sexuality and sociability. It is also a good energetic tool to increase our creativity to deal any situation within our life.

Red is close to the color of blood, and it has a strong vibration to resonate to aid the oxygen carrying capacity of our blood. It energizes and balances the body and will enhance our overall health.

### **Nature Relaxation Resonance**

Using pulsating of Bio-electromagnetic fields that radiate the natural and ongoing frequencies of different organ systems in the body, it is possible to recharge cells to their correct level of function with very beneficial and often dramatic effects.

This energetic system can help us to reduce pain, asthma, arthritis, fatigue, osteoporosis, insomnia, migraines, circulation problems and high cholesterol.

It helps to ensure ideal cell function, resulting in:

- Stress relief and stress recovery
- Deeper sleep and rejuvenation
- Increased energy and vitality
- Strengthened immune system
- Increased oxygen in the blood
- Improved vitamin and mineral absorption
- Strengthened respiratory system
- More dense bone structure

This energetic system has 3 certain function to use which can make more efficient utilization. These functions are spread from responsible for initiating the biochemical processes within the body, for increasing g cell membrane permeability and re-establishing normal potentials to damaged body cells to realign with the natural frequencies of the body (e.g. brain and nervous system activity and cell structures) which is important to re-balance our body in a fresh condition and it is good to present relaxation within our crowded mental activities.

We can easily use one of these functions to return our body into excellent health condition.

The 3 main functions of this energetic system are:

- **BASIC FUNCTION:** General health maintenance function. This function is responsible for Ion transport and erythrocytes separation in the body.
- **VITAL FUNCTION:** Enhance activity and energy in the body.
- **RELAX FUNCTION:** Activation of the parasympathetic nervous system to optimize relaxation.

### **Nature Devas & Fairies Attunement**

This course is designed for people interested in working with the Devas and Spirits inhabiting the Kingdom of Nature and for healers who want to integrate the energy vibrations of these beings in their therapeutic healing work as well as for people generally interested in self-healing and guidance on their path to self-development. The energies of these beings vibrate on a more earthly plane and unlike angels these beings are easier to perceive by humans for they are more similar in appearance to humans; the main difference is that they are etheric beings – meaning they are predominated by the “natural-subtle” energy vibrations. Nature Devas and their sub- categories such as Fairies, Elves, etc. are of great help in guiding us through difficult periods in our lives and giving us advice as well as for helping us in re-charging our “energy tank” by absorbing

the strengthening and invigorating energies of nature.

On this course you will be attuned to the Angel of Nature called Iris, to the 6 Devas reigning over the elements of Nature and to 14 of the Fairies dwelling or vibrating at the energy plane of the corresponding element. To make it easier for you to get familiar with these beings there is a set with 25 cards with individual messages for guidance and support in your life. However, after the attunement you are likely to be able to communicate with more fairies than the ones you will be attuned to.

### **Nature Mandala Empowerment**

These beautiful Medicine Mandala empowerments act as activations for your physical, mental, emotional and spiritual bodies. They work to purify and release you from any less than light energies, filling your Spirit with Divine White Light and then imprinting the Medicine of the particular Mandala you are being attuned to. This Medicine is not only within the image itself, it also presents itself in the form of Sacred Geometry for your spiritual growth and wellbeing. These energies are passed onto you by the Archangel Raphael, the Divine Healing Angel. His presence is a warm emerald green light that illuminates and clears your Aura to allow healing and love to flood your light bodies.

The Nature Medicine within this empowerment was created to help one:

- \* Connect fully to the Earth Mother
- \* Connect the Faeries & Nature Spirits
- \* Feel grounded and more secure
- \* Connect to the Trees, Oceans, Rivers, all of Nature
- \* Connect with the Ancestors
- \* Connect to the energy of the Sacred Feminine
- \* Establish a deeper connection to one's Animal Guides
- \* Joy in everyday Spiritual Rituals & Sacred Rites
- \* Honor oneness w/ Mineral, Plant & Animal Kingdoms
- \* Work with Crystal Healing & Energies

### **Nature Shaman Reiki**

Nature Shaman Reiki is 3 levels and the energies connect you to nature, higher source, and your soul energy.

Level 1 works with being at one with all of nature. Becoming one with Mother Earth and moving your energies in to "I am" consciousness.

Level 2 works to move you into guided meditation for energy expansion, self-discovery, and empowerment.

Level 3 works to open you to nature communication with animals, plants, and Mother Earth. It opens up your psychic energies to help you receive spiritual guidance from nature devas, and more.

This is a great system to enhance your connections and communications with Nature and Mother Earth. It will bring in empowerment and personal power

### **Pachamama Aura**

Description from the Founder Stewart Farquharson: South American Shaman energy. Mother Earth Pachamama. In South America along the west coast there is a range of high mountains called the Andes. Native people moved here from the jungles of Central America and learned to deal with the cooler "cloud forests" and the dry plateaus. They discovered the potato and corn and llamas and began to build civilizations. The oldest ones were on the coast and honored the Jaguar and the Caiman, as people do farther north. Much later came people who honored the condor, the puma, and the snake. These stood for the Upper, Middle and Lower worlds of the spirits. A great Tree of Life allowed talented shamans to travel across these places.

### **Sacred Earth Energy**

Founder: Susan Beaumont. By using a series of symbols and exercises connecting to the natural energies of the earth it is possible to feel more vibrant, be free of worry and stresses and much more.

Based on Ancient principles it is a unique way to join together your consciousness and match your vibration to the elements of the earth, once you regain your connection with the earth you can move forward the way it was intended.

It is the energy that resonates within us and all around us. It is in the air, the plants, the trees, the animals, the rocks; it is you, it is me; it is the here, the now, the past, present and future. It is in life it is in death; it knows no boundaries, multi-dimensional, knowing not of religion, knowing not of time or distance. It can be found in everything; the knowing and feeling, it is that which makes all things possible.

Sacred Earth Reiki is a series of symbols used initially to enable a pure connection to our Sacred Earth and from there we can go forward on our journey with the tools and knowledge to light up our path.

It is to assist us in raising our vibration to mirror that of our surroundings and aid us in all we do. It is to enable us to attune and sensitize ourselves to others. It is left to choice how you use this gift of love and light.

It can aid us in connecting to our angels, guides, messengers. It can help us still our minds and find freedom and enlightenment within ourselves. We can connect to the Sacred Earth and let it heal us, mentally emotionally and physically, it truly is magical.

It is in our quest for our conscious to know no limitations of the physical. Our minds are strong, our beliefs and faith are strong, yet we allow our ego and self-doubt prohibit us from progression on our journey.

### **Stone Reiki**

Stone Reiki is a system that heals with stones. Stones from Sedona, Stonehenge, river stones, garden stones, etc. This is a magnificent method that induces healing on a more ancient level by bringing the energy forth into 5<sup>th</sup> dimensional earth which creates a new level of awareness by working with the stone kingdom thus the beginning of a new age of conscious healing. The healing where each of us can perform by ourselves and for others.
