to us. The people who attune to Black Dome have very intense and powerful attractive energy and ensure that only positive and full of benefit energy reach them.

## **Black Kundalini Fire**

Founder: Ramon Martinez Lopez. Black Jade is an etheric bodyguard and a stone of protection. Its strong elemental energy shields not only the physical body, but guards against negative forces or entities, energy vampires and people projecting anger and aggression.

Black Jade is also an important tool for looking inward. It allows for honest self-evaluation and helps absorb and transform unhealthy and destructive emotions.

### Black Jade Uses and Purposes:

- Jade is excellent for healing feelings of guilt. It also treats an excessive desire to adapt oneself to a group, even if it is sect-like, exaggerated militarism, a follow-the-leader attitude.
- As a professional support stone, Jade aids doctors, nurses, veterinarians, and all healers in making practical diagnosis and in their applications.

### Black Jade Physical Healing Energy

- Black Jade protects against viral and bacterial infection, parasitic infestation, and associated illnesses.
- Black Jade is thought to assist the reproductive system in both sexes, treat illnesses in older people, and alleviate problems with the feet, legs, knees and hips. It helps restricted blood flow and is believed to be useful in treating deep vein thrombosis.
- Jade is a powerful cleansing stone, enhancing the body's filtration and elimination organs. It is excellent for treating the kidneys, spleen and supra adrenal glands, removing toxins and balancing.
- Jade has a restorative property, allowing for both the cellular and skeletal systems.

### Black Jade Emotional Healing Energy

- Black Jade is an excellent stone for absorbing and transforming negative emotions, such as fear, envy, doubt, anger or hatred. It allows the unconscious to open and release the original traumatic memories which are often at the root of such feelings.

- Black Jade lends the courage and fortitude needed to examine one's own negativity and its source, and to "face the shadow self."
- Jade provides confidence and self-assuredness, self-reliance and self-sufficiency.

### Black Jade Chakra Healing and Balancing Energy

- Black Jade stimulates the Root Chakra. The Base, or Root Chakra, is located at the base of the spine, and controls the energy for kinesthetic feeling and movement. It is the foundation of physical and spiritual energy for the body.
- When physically out of balance the symptoms will manifest themselves as lethargy, low levels of activity, low enthusiasm, and a need for constant stimulation. When its spiritual energies are out of balance, you will feel flighty, disconnected from reality, and distant.
- When the Base Chakra is in balance, the physical body regains its strength and stamina, and the spiritual energy is rekindled in the form of security and sense of one's own power. It often leads to independence and spontaneous leadership.

### Black Jade Spiritual Energy

Put on Jade assists in creating magic for the highest good and in protection from harmful or deceitful entities during spirit work.
